Title: The Stone Dwarf's Armor

Author: Lisren Arkill

The dwarfs have
always been the
unmatched masters of
the art of the metal
.But their finest
masterpiece is this
armor. Untill now it
has been for dwarfs
only- for the armor
must be crafted with
an amount of metal
that will never suit a
man. But now the most
genious dwarf smith
has solved the problem
and made the first
armor of this kind
that can be worn by
humans.
